Rick,

As we were talking, the January 2nd 2013 letter from Flint Hills announcing their “transition plan” see attachment ...

The one thing that does not come out in this letter is the fact that Flint Hills just unilaterally declared this transition plan, with no “buy-in” by either ADEC or Williams.

.... I will send you a few more letters from ADEC {1/16/2013}, Williams {1/22/2013} , and Flint Hills {1/25/2013} that follow up on this proposed transition plan ...

Please let me know if you want to discuss any of this

Thanks, Steve

Steve & Laura,

I hope you both had good holidays and are ready for the new year.

Attached you will find the Transition Plan that FHRA committed to provide during our meeting with ADEC and Williams on December 19, 2012.

Please let me know if you have any questions.

Thanks
